The screenshot shows the Mendeley Cite application interface. On the left, a list of references is displayed, including 'The dilemmas of performance indicators of individual researchers: An urgent debate in bibliometrics'. A dropdown menu is open over the list, showing options: 'Insert citation', 'Insert as: Author (Year)', 'Insert as: Author', and 'Insert as: (Year)'. In the background, a Windows taskbar is visible with various application icons and a menu bar with options like 'Referências', 'Correio', 'Rever', 'Ver', 'Ajuda', 'InstaText', and 'Diga-me o que pretende fazer'. Another window shows a search for 'Abada' and a selected reference: 'On the viability of energy communities' by Abada I, Ehrenmann A, with a citation button 'Insert 1 citation'.
